

4 Different Front-Load Series

Hotsy's line of front-loading automatic parts washers gives you a choice of load capacities ranging from 500 lbs. to 2,500 lbs. and internal load heights from 30" to 60".

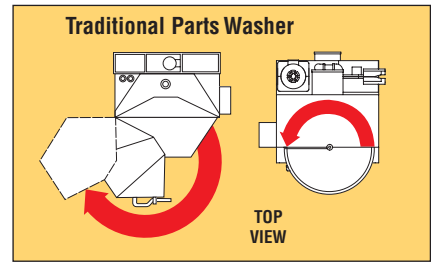

Easy access debris screen prevents foreign objects from falling into reservoir.

Integrated oil-skimmer helps remove oil from cleaning solution in reservoir.

Hotsy's internal roll-away door saves floor space and prevents wash water from dripping on the shop floor.
